

Committee Reporting Form
CCCCIO Representatives on Statewide Committees

Committee: California Math Project Advisory Board, UCOP	CCCCIO Rep: Alice Murillo
Meeting Date: July 5, 2011	Meeting Location: San Diego State University

Committee Charge:

The California Mathematics Project (CMP) is a K-16 network dedicated to providing students a rich, rigorous, and coherent mathematics curriculum taught by competent and confident mathematics teachers who foster **ALL** students' proficiency in mathematics—achieving equity in quality. CMP enhances teachers' mathematical content knowledge and pedagogical content knowledge that is aligned to the *California Mathematics Standards and Framework*.

Meeting Agenda Topics:

The meeting was a site visit to SDSU to evaluate a teacher summer institute for CSET review. Participants were instructed by a SDSU math faculty on algebra, geometry, and probability and statistics topics, in preparation for the CSET exam. College graduates take the CSET exam to qualify to teach algebra and geometry in California high schools.

Topics for CCCCCIO consideration/discussion:

None.
